1		X		The credits I received largely did not transfer to my new college, pretty much making me start over when working on the generals for my bachelors.
2		X		It's been difficult to find a job right out of school with no electrical experience but at least my education was enough to get hired in the mining field as a truck driver.
3		X		Medical reason was my only concern while studying with GBC other than that I uphold GBC academic stander.
4	X			Wish I would have chosen a different school. Loved the instructors. Disliked everyone else.
5		X		most of the instructors at gbc are wonderful and cares about their students understanding the subject matter but there are one or two that does not show that at all and are here just for a job.
6		X		Thank you to everyone who helped make my experience at GBC one to remember. The library staff, Adriana Mendez, Lynn Mahlberg, and SGA. Definitely one of my favorite schools thus far. Kick ass GBC!
7		X		I actually got a dual Criminal Justice Degree in Law Enforcement and Corrections.
8		X		Degree only applies to Nevada and mines won't hire inexperienced personnel.
9		X		Great Basin has been a great experience for me. The staff are nice and are there when you need them to be and know how to redirect you to someone who can help if they themselves do not know how to. It is easy to sign up for classes, to attend said classes, and the teachers are great and there to help if you need it.
10			X	Great land surveying and geomatics program. Passed land surveyor in training test first try.
11		X		The Advising and Career center wasted, literally, 2 years of my life because of faulty advising. Also, the science and math
