*Include all levels offered by your institution, **even if there are no students currently enrolled at that level.***

*Responses to this question determine which screens will be generated for reporting academic year tuition charges, and for reporting Fall Enrollment during the spring collection. Additionally, checking **Yes** for full-time, first-time, degree/certificate-seeking undergraduate students determines that your institution must report cost of attendance data (on the IC component) and Student Financial Aid data for these students.*
