The SFA component contains interactive edits that will check for blank fields, invalid values, or values that fall outside expected ranges. Some error messages will require you to confirm or explain the values that you entered. Some error messages are fatal and will require you to contact the IPEDS Help Desk for resolution.

**7cbhY!h' 6c IYg**

You will find optional text boxes throughout the SFA component. Context boxes allow you to provide more information about the data you enter. Note that some of these context boxes will be made available to the public on College Navigator, so make sure that the information you enter can be understood easily by students, parents, and the general public.

Group 1 students are all undergraduates enrolled in Fall 2009.

For this part, report:

- Financial aid received by Group 1 students from all sources: the federal government, state/local government, the institution, and other sources known to the institution
- Financial aid received by Group 1 students at any time during the full aid year (academic year 2009-10)

In the fields below, report the number of Group 1 students and the total amount of aid received by these students for each type of aid.

1	Row: 6 Col: 3	Screen Entry	The Number of full-time, first-time degree/certificate-seeking undergraduates reported here is not within the expected range when compared to what was reported for this value on last year's Student Financial Aid component. Please explain	Explanation
---	------------------	-----------------	---	-------------

Reason: This number is from last year's fall enrollment

2	Row: 7 Col: 4	Screen Entry	The calculated percentage of students who received any financial aid is not within the expected range when compared to last year's value
---	------------------	-----------------	--

Reason: A new reporting methodology was used for the first time and is reported previously and this has increased the overall numbers.

3	Row: 7 Col: 4	Screen Entry	
---	------------------	-----------------	--

Reason: A new reporting methodology uses accepted aid rather than disbursed aid as reported previously and this has increased the overall numbers.

--	--	--	--	--	--

--	--	--	--	--

Reason: The number of students who received Pell grants and the amount of each Pell grant increased significantly over last year.					
6	Row: 13 Col: 7	Screen Entry	The average amount of this aid type is outside the expected range when compared to last year's value. Please check the values reported for the number of students and the total amount of aid received, and fix or explain.	Explanation	Yes
Reason: The number of students who received Pell grants and the amount of each Pell grant increased significantly over last year.					
7	Row: 11 Col: 4	Screen Entry	The number entered is outside the expected range when compared with the prior year's value. Please explain.	Explanation	Yes
Reason: A new reporting methodology reclassifies scholarships from Tribes as local government rather than as from state, institutional, or private sources. In addition, accepted aid is reported now rather than disbursed aid as reported previously and this has increased the overall numbers.					
8	Row: 10 Col: 4	Screen Entry	The number entered is outside the expected range when compared with the prior year's value. Please explain.	Explanation	Yes
Reason: A new reporting methodology reclassifies scholarships from Tribes as local government rather than as from state, institutional, or private sources. In addition, accepted aid is reported now rather than disbursed aid as reported previously and this has increased the overall numbers.					
9	Row: 26 Col: 5	Screen Entry	The Average amount of grant and scholarship aid received is smaller than expected for this income level in comparison to the other income levels. Please check the values entered for Number of students in Group 4 receiving aid and Total grant and scholarship aid received by these students and explain.	Explanation	Yes
Reason: Only 8 out of 18 students received any federal, state, or institutional scholarships or grants. The remaining students only received federal loans. This skews the average considerably.
