Treasurer's Report: Laurie: Tony Salvatierra Scholarship Account: $1,220.48, this does not include the Fall 2022 scholarship disbursement. Hospitality Account: $1,376.44.

Site Reports: POSSIBLE ACTION ITEMS

Ely: **Winnemucca/** Battle Mtn:	Julie Martinez: Business as usual, registering students and scheduling placement tests.
	Heather Hill: Grand Opening of the new Health Science and Technology Building was successful. Business as usual, registering students and catching up. Battle Mountain and Winnemucca have combined with Becky Coleman as Director of both centers.
Pahrump:	Louellen Monte: Business as usual, advisement appointments, placement tests and Fall enrollment.
Elko:	Cheyenne Stocks: Summer is catching up time for many. Jennifer Brown, Director of Enrollment Services, Advising and Admissions and Records has resigned. Cheyenne will assist with some tasks. There are still many open positions on all campuses. Tasha:

Health and Safety has approved the Krispy Kreme event fundraiser. Because we are in the middle of outgoing and incoming CC board, no decisions will be made, but ideas for events should be researched.

- Since food events are now allowed on campus, the Fall Soup and Chili Cookoff and Dessert Auction events will be put on the calendar to begin fundraising for the Tony Salvatierra account again.
- Julie suggested a Little Ceasar's Fundraising event. This fundraising model is like the See's Candy Fundraiser in which there is no cost to host the event. Cheyenne will complete the interest form for Little Ceasar's fundraising.

Public Comment:

- Cindy said hopefully the Google Calendar invite for 2022-23 CC meetings will initiate more CC meeting attendance.
- Louellen will send out an email to all classified staff announcing the new CC Executive Board.
- Laurie said historically there is not a classified council meeting in July. Cindy will edit this month's agenda to reflect that the next meeting will be on August 19, 2022.

Next Meeting: Friday, August 19th, 2022 – 10:30am, Zoom
