

Coronavirus Workplace (COVID -19) Policies

The college is implementing Alternative Campus Operations which significantly limits the number of people who will be on campus. Some personnel policies have expanded to provide additional options.

- ◁ Administrative Faculty, classified staff, part-time employees, and student employees should report to work per their normal schedule. All employee types may discuss the possibility of working remotely with their supervisor. If productive work can be accomplished remotely and business continuity addressed, the supervisor may approve working remotely. See Remote Work Guidelines. If the nature of the job does not accommodate remote work, the employee will report to work on campus.
- ◁ Any employee who is health compromised or symptomatic may choose to self-quarantine for 14 days and use available sick leave for that absence without medical certification. CDC guidelines should be used to inform that process (
