Survivor Beneficiary Designation. This designation is valid only upon the member establishing eligibility for survivor benefits pursuant to NRS 286.672 and 286.6767. All members of the System should list one person as the Survivor Beneficiary (not a spouse, trust or charitable organization) to receive a lifetime benefit in the event of the member's death or member and spouse's simultaneous death prior to retirement. Additional Payees may be designated to split the payment with the Survivor Beneficiary by percentage. Monthly payments to Additional Payees cease upon the death of the designated Survivor Beneficiary. If a monthly payment is not available and no spouse exists, then the Survivor Beneficiary and Additional Payees may be eligible to split, by percentage designated, a one-time, lump-sum payment of any existing member contributions in the System.

Tertiary Beneficiary Designation. The tertiary beneficiary may be eligible to receive

Survivor Benefits

If a member dies prior to retirement, eligible survivors are entitled to a monthly survivor benefit. Pursuant to NRS 286.671, eligible survivors are the member's spouse or Survivor Beneficiary and Additional Payees. In addition, dependent children under the age of 18 at the time of the member's death would also be eligible for a benefit. In order for the Survivor Beneficiary and Additional Payees to receive benefits, the member must be unmarried at the time of death. To qualify for survivor benefits, the member must have:

1. Two years of service in the two and one-half years immediately preceding the member's death;
2. Ten or more years of accredited service; or
3. Died as a result of an occupational disease or as a result of an accident arising out of or in the course of employment, regardless of service credit.

The calculation of benefits for the spouse or the Survivor Beneficiary and Additional Payees is based on the number of years of service credit the member had at the time of death. If the member had more than 15 years of service credit or was fully eligible for a benefit, a benefit of \$450.00 could be substituted for the Option 2 benefit, depending on which option was chosen.

If the member had more than 15 years of service credit or was fully eligible for a benefit, a benefit of \$450.00 could be substituted for the Option 2 benefit, depending on which option was chosen.

If the Survivor Beneficiary dies, payments to the Additional Payees would cease as well. If an Additional Payee dies, the benefit amount would be redistributed among the remaining payees.

The designation of the Survivor Beneficiary and the Additional Payees must be made on the PERS' form entitled Survivor Beneficiary Designation. Your named Survivor Beneficiary and Additional Payees would receive payment based on the percentages you designated for the lifetime of the Survivor Beneficiary. The form must be properly completed and be submitted or postmarked with a date prior to the member's death.

In the event the member fails to meet eligibility requirements for survivor benefits prior to death, a lump-sum refund of any employee contributions would be paid to the member's spouse. If no spouse exists the refund would be paid to the listed Survivor Beneficiary/Additional Payees. If there are no listed Survivor Beneficiary/Additional Payees the refund would be paid to the listed Tertiary Beneficiary/ies. If there are no listed Tertiary Beneficiary/ies the refund would be paid to the member's estate. If there is no estate, the refund would be paid to the member's heirs.
