Setting up MFA

1. Please use the Myapps portal to sign in using your GBC student or employee email. <u>https://www.gbcnv.edu/myapps/</u>

Select the "Set up MFA..." shortcut:

fo

The following methods may be used for MFA:

- Microsoft Authenticator app (smart phone, if available)
- Text message or voice call to cell phone (voice available for personal landline)
- Alternative phone (personal landline or cellular voice call)
- Office phone (Work landline or cellular voice call)
- OTP (one-time password), alternative method using Microsoft Authenticator app or other 3rd party app. We cannot guarantee that 3rd party apps will work property.

If available, consider using the free Microsoft Authenticator using a smart phone and follow the prompts to scan your QR code or enter it manually. Using the app may require camera, location, notification or other device permissions to function correctly; data rates may apply to download application and use this service. Additional information on the app is available from Microsoft by clicking here

If eepsd atlgin, peas styp//FA mehd:

2. If using the Microsoft Authenticator, select "next" and follow the on screen instructions.

If a smart phone is not available, please click the "I want to setup a different method" and skip to step 4:
