

Business

The suggested pattern of study for an Associate of Arts degree focusing on business is designed primarily for

.....	3
Evidence-Based Communications: ENG 102.....	3
Fine Arts.....	3
ART 100, ART 101, ART 107, MUS 101, THTR 100, THTR 105, THTR 204	

Mathematics: MATH 101

This pattern of study provides some flexibility in specific course selections that meet the general education requirements at Great Basin College. Students planning to continue their education beyond the AA degree by transferring to another institution should check the requirements of that institution early so that appropriate specific courses can be chosen as part of this pattern of study.

This pattern of study is designed specifically to meet the lower-division requirements at four-year institutions, but students should be aware that each institution varies slightly in its requirements. Students should consult with their advisor for more information. (Students transferring from other institutions should consult with their advisor for more information.)
